Bardon Supplies Ltd. Announces Acquisition of Dolan Enterprises Ltd.

BELLEVILLE, Ontario – Bardon Supplies Ltd., a full line stocking wholesale and retail distributor of Plumbing, HVAC, Hydronics, and Industrial Pipe, Valves & Fittings products, is proud to announce its recent acquisition of Dolan Enterprises Ltd. in Welland, ON.

Dolan Enterprises Ltd. is a reputable, family-owned sheet metal fabrication and wholesale heating supply company that has been providing quality products and service to professionals within the HVAC and Refrigeration industries throughout the Niagara Region and surrounding areas since 1996.

Bardon Supplies Ltd. strives to deliver the highest level of solution-oriented service to its growing network of customers through its team of knowledgeable and friendly personnel, product diversification and specialty lines, as well as its strategically located modern warehouse facilities. “Dolan Enterprises Ltd. has been a player in the Niagara Region supplying the HVAC and Refrigeration market for over two decades. Bardon Supplies Ltd. shares the same organizational values and desire to provide a superior level of service and product offering to our customer base, which made the acquisition an easy fit and exciting expansion opportunity,” says Shawn Taylor, Vice President/General Manager of Bardon Supplies Ltd.

The company has begun operations under the Bardon Supplies Ltd. banner, but customers can continue to expect the high level of customer service and satisfaction that Dolan Enterprises Ltd. prides itself in providing in its day to day operations. This acquisition will give our combined customer base access to an even more diverse line up of quality HVAC products, including a full line of plumbing supplies that will be introduced into that location over the next few months, through Bardon’s vast distribution network.

###

About Bardon Supplies Ltd.

Bardon Supplies Ltd. is a full line stocking wholesale and retail distributor of Plumbing, HVAC, Hydronics, and Industrial Pipe, Valves & Fittings products.
